

Northern Nevada Preppers Meeting 3/14/15

1. **Mission Statement: We are a family orientated Preppers group to learn and support each other as we prepare for natural and manmade disasters. We encourage others in becoming self-reliant.**

- **Disclaimer:**

This is a family based group supporting a self-reliant life style and we come together in the spirit of cooperation to assist others in being prepared for natural or manmade disasters. This group was developed following the principles and guidelines of the American Preppers Network. We welcome families and individuals who want to learn the skills necessary to prepare for and care for themselves and their families in the event of a disaster or something as simple as a minor issue. We are not a militia. We do not promote anti-government behavior or rhetoric. We do not condone hate groups, taking up arms against American citizens or violating the law. We do not hope for and promote anarchy or the end of the world and apocalyptic events. We welcome families who want to learn to be prepared. We have no other agenda.
